

Grievance Day May 24, 2022 from 4 PM to 8 PM

It is recommended that you make a appointment for Grievance Day. All forms must be in the office 48 hours prior to Grievance Day. Prior to Grievance Day the assessor will be in the office during his normal office hours as posted in the Town Website. He will also be in the office on May 5th from 4 PM to 8 PM and Saturday, May 14th from 9 AM to 1 PM and Tuesday May 17th from 8 AM to 1 PM. The assessors phone is on 24 hours a day to receive messages, please leave your name and address and a number where you can be reached during the day and evening's. The assessor will get back to everyone that contacts this office. You can also email the assessor at (hhenty@townofschroepfel.com). The assessor can make stipulations to the tentative roll any time prior to Grievance Day. If you make a stipulation with the assessor you will not need to attend on grievance day. Forms and instructions for this process will be explained to you by the assessor when he is contacted. There is a locked box on right side wall of the entrance to the town building for assessors correspondence. The assessor wants you to be assured that your assessments will all be treated fairly. The assessor has to put a fair open market value on the properties in his jurisdiction, if you feel that the assessed full market value of your property is not fair it is to your advantage and the assessors to communicate prior to Grievance Day. You will need to have comparables of other similar properties for the assessor to make any decisions for a change. The assessor will gladly help you with any information you need to compile these for him. At any time during normal office hours that you can't get through please leave a message as requested The Town Web Site has more information and links for forms and helpful video's.
